OLD BUSINESS:

Dave reported that the Drifter's choice and mayor's choice plaques are being made. Dave has also made the trophies for the Drifter's 1st and 2nd place model car winners. We have some door prizes for our cruise, but we need more. Jan sent a letter to Wal-Mart regarding the use of their lot for registration; no reply received at this time. Jan also had the Branson fliers from Heartland Tours and Jag Tours for our trip in November. We will vote on the tour company and tour date at the June meeting. Jim reported that the mayor of St. Charles would check with the city council to see if the city would sponsor a parade at 3:30 p.m. after our awards ceremony. Bill and Jim will drive the route and note any construction problems, etc. Regarding the charity for our fall cruise, Jim made a motion to fund only one charity this year; seconded by Ron. Motion did not pass. Eric made a motion to bring the name of a contact person for the charity organization to the next meeting and vote on it at that time; seconded by Mike. As in past years, we will be collecting food for Channel 1. Jim has not heard back from the t-shirt man at this time. Fred will be checking with Howe's Embroidery in Austin regarding our Drifter's artwork.

NEW BUSINESS:

Mike made a motion, which was seconded by Jan that our club take a tour to Elmer's Auto & Toy Museum on Sunday, July 22, 2007. Bill made a motion, which was seconded by Ron that we meet at RCTC at 8:00 a.m. and drive together. Bill made a motion to have Dave and Kathie look in to having a car show/boat ride in Lake City. Mike seconded this motion. Jim made a motion that the Drifter's provide the gas for the boat; seconded by Jan. Jim will be inviting the Ford Club to join us on our June 3 cruise/picnic to Farmer's Park and Lark Toys.
