_This is just a brief report on the stats from the Fall Foliage Run.

Cars registered	116
Adults	216
Kids	7

(all this info came from the registration forms)

There were approximately 20-24 motorcycles although they were not identified on the registration sheets
100# of food went to the Rochester Foodshelf and coincidentally 100# went to the St Charles Foodshelf
We went through over 28 gallons of Lion Chili and 3 cans of our chili. (There were 7 food participants)
As you may recall, our agreement was to turn over \$5 per car for the food portion to the Lions. It is important for everyone who may have costs we need to reimburse to get those costs to Kathie W prior to the next meeting. At the meeting, we will then decide what our net donation to the charities will be.

It is important to have a full member turnout since we must also select new officers for the coming year. While these are important jobs, they are not difficult jobs and only require regular attendance at meetings and perhaps an hour a month average outside of the meetings. It is a growth opportunity for each of us and an opportunity to get to know the other Drifter members better. Please consider an officer position.

For those of you who are wondering, the Drifter By-Laws limit the President to a maximum of 2 consecutive years, which means that I am not eligible.

I hope to see you all November 12th

Jim M

Adjourned:

Jim A made a motion to adjourn the meeting, seconded by Dick Berg Adjourned. Respectfully submitted,

Duane Jacobson
